This Statement which is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatements. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable Indian Accounting Standards and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure

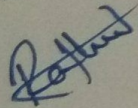

Requirements) Regulations, 2015 read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. We draw attention to the following matters:

- i. Note 2 to the Statement which states that the Company has adopted Ind AS for the financial year commencing from April 1, 2017 and accordingly, the Statement has been prepared by the Company's Management in compliance with Ind AS.
- ii. We were neither engaged to review, nor have we reviewed the comparative figures including the reconciliation to the Total Comprehensive Income for the quarter ended on September 30, 2016 and accordingly, we do not express any conclusion on the results in the Statement for the quarter and half year ended September 30, 2016. As set out in Note 3 to the Statement, these figures have been furnished by the Management.
